Structured Settlement Issues for Plaintiffs

TOP TEN REASONS DEFENSE DICTATES YOUR STRUCTURED SETTLEMENTS!!!

To save money with:

10. *In-house annuity programs that are non-competitive and huge profit centers.*
9. *Approved lists of defense-loyal annuity brokers.*
8. *Defense broker commission rebates and kickbacks.*
7. *Post-settlement medical underwriting and re-underwriting.*
6. *Daily rate annuity pricing.*
5. *Jumbo case annuity discounts.*
4. *Cash refund settlement options.*
3. *Last-minute switching of annuity carriers.*
2. *Outdated arguments about why plaintiffs can't control their own structures.*

...and the No.1 reason defense dictates your structured settlements:

1. **THE COST SAVINGS FROM DICTATING STRUCTURED SETTLEMENT PLACEMENTS IS SPENT TO FIGHT FOR EVEN MORE TORT REFORM LEGISLATION!!!**

In essence, you are buying the shovels they are using to bury you!!
